# ANILLO RING

This luminous ring makes a lasting impression in any installation thanks to its ability to transform a space using multiple sizes and suspension layouts. With soft LED lighting and colour changing options, this is one circle which just goes round and round and never gets old.

## KEY FEATURES

– Lit by warm white or cool white LED strip.
– RGB colour changing LED optional
– 3m(9'10") S/S wire supplied for suspension
– Full electrical terminations
– Cross sectional profile = 100mm x 100mm

## HOW TO SPECIFY

LX-AR = (Size) - (Colour) - (Temperature)

| Size | Shade Colour | Colour Temperature |
|---|---|---|
| 1000 = 1000mm/3'3" dia | | WW = Warm White (approx 3000K) |
| 1200 = 1200mm/3'11" dia | | NW = Natural White (approx 4000K) |
| 1500 = 1500mm/4'11" dia | | CW = Cool White (approx 5000K) |
| 2000 = 2000mm/6'6" dia | Specify colour as below | |
| 2500 = 2500mm/8'2" dia | | |
| 3000 = 3000mm/9'10" | | |
| 3500 = 3500mm/11'5" | | |

Example: LX-AR-1500-B-WW = Anillo Ring 1500mm/4'11" diameter, black, warm white colour tem

### Available Colours

black (B)   white (W)   silver (S)   custom colour
