

FLINT

Sizes

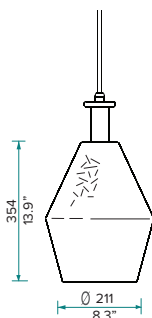

Flint 1

Flint 2

Flint 3

Like the sedimentary rock that they take their name from, the range of Flint ceramic pendants offer two different faces; inside and out. The textured outer shell offers protection to the smooth interior face; demonstrating strength whilst creating a spark of light wherever they are hung. This range of ceramic pendant lights are available in high gloss white and black with the option of a gold glazed interior finish.

KEY FEATURES

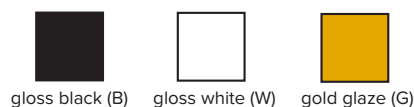

- Suitable for indoor environments
- Comes with 3m/9'10" power cable
- E27/ES lampholder, suitable to incandescent and energy saving lamps
- 40 Watt max
