

FRACTAL CLOUD

HOW TO SPECIFY

LX-FC- (Lamp Source) - (Wattage) - (Colour Temp) - (Dimming)

Lamp Source	Wattage	Colour Temp	Dimming
T5	28	W = warm	1 = no dimming
LED	54	C = cool	2 = DSI
		D = daylight	3 = DALI
		R = RGB (only LED)	4 = 1-10v

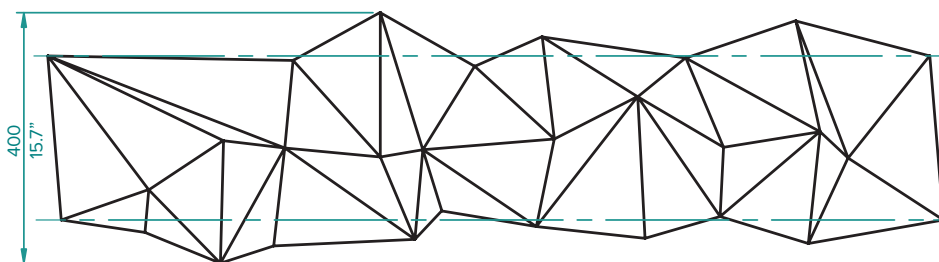

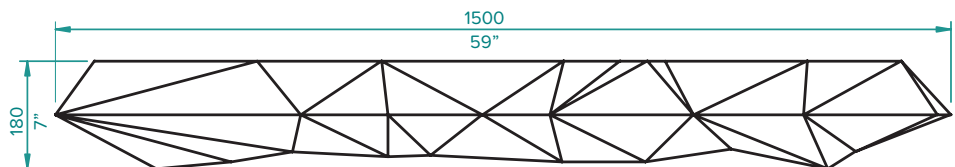

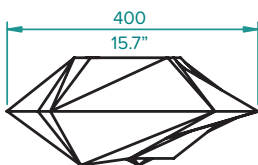

* Only specify one lamp source

Example: **LX-FC-T5-54-D-1** = Luxxbox Fractal Cloud, T5 lamp, 54 watts, daylight colour, no dimming

The Fractal Cloud is every bit as beautifully organic as it is diabolically mathematical. The facets comprising this ultra modern linear pendant appear random, yet afford a precise balance in visual and physical properties. The angled profile works well in haphazard cluster arrangements, creative tessellations and simple end-to-end linear installations. The light source is concealed within a mass of geometric angles that would make even Euclid proud.

KEY FEATURES

- 1500mm/5' long diffuser
- 100% recyclable translucent LPDE
- 1200mm/4' T5 flupresent tube
- Hi Flux LEDs (**Optional**)
