

HARLIE STOOL

HOW TO SPECIFY

LX-HS- (Colour)

Example: **LX-HS-DS** = Luxxbox Harlie stool, deep sea

Standard Range (AUS)

The prismatic form of the Harlie Stool is at once both faceted gemstone and articulated artifact. Drawing on gemology and mathematical principles with a playful reference to the geometry of the daring 'Harlequin' in full costume, the Harlie Stool holds court with a killer design edge.

KEY FEATURES

- Easy to stack
