

K-STOOL

K-Stool is made for stacking

The newest addition to the growing K family, the K-Stool is sure to be the centre of attention. With a number of chilled-out colours to complement the natural wooden seat top, K-Stool will look the part in any space. Although lightweight and maneuverable, the robust LDPE base and plywood top means the K-Stool can withstand whatever you throw at it. The K-Stool is also easily stacked allowing for efficient storage.
