

PHASE PENDANT

The Phase pendant by Luxxbox embodies contemporary imagery and patterns. The complex tri-form profile is interspersed with random angular shapes referencing microprocessor pathways. The random design creates a light filled space with varying shades and overlaid patterns. Phase comes in four sizes and three standard colours - it works great on its own as a decorative pendant or hung in clusters of three or more. Fantastic for large entry voids or used as a single piece over a dining table.

KEY FEATURES

- Polyester coated aluminium
- Custom colours available
- Comes with 3m/9'10" of suspension and power cables
- E27 lamp holder suitable for incandescent and energy saving lamps
