

STALIK PENDANT

The elongated form of the stalik pendant evoke the ancient mineral structures found on the ceilings of caves. Although at it's best when hung in clusters at varying heights, the stalik's simple and elegant form also lends itself to being used as a single pendant. Stalik is available in the 3 sizes with powder coated or plated metallic finish, custom colours available on request.

KEY FEATURES

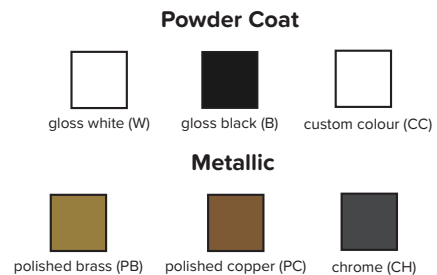

- Suitable for indoor environments
- Comes with 3m/10" of power cable
- E14/ES lampholder, suitable for incandescent and energy saving lamps
