

# STOMP FLOOR

## Stomp Floor

Are you searching for the proverbial spanner in the works? The Stomp range of lights are a set of industrial artefacts which will make you stand up and take a look. You'll think twice about the space you're in when you see these commanding mega-shades. Like any piece of precision equipment, the form leaves no question about what these lights are for while the build quality and attention to detail tells you they're the right tool for the job.
