

VAPOR

Let your light shine through.. Running with the cool crowd doesn't mean abandoning individualism. The versatile Vapor pedant by Luxxbox explores the notion of the end user personalising their lighting fixture. In doing so it skirts the boundaries of traditional decorative illumination, using unconventional lighting materials and contrasting colours and finished that combine in a suspended form as though floating in space. A visual show of strength and intricate three-dimensional shape. Also available as a floor lamp.

KEY FEATURES

- Comes with 3m/9'10 of power cable
- E27/ES lampholder, suitable for incandescent and energy saving lamps
- Custom graphic print for internal shade
