

WEDGE (LX-WE)

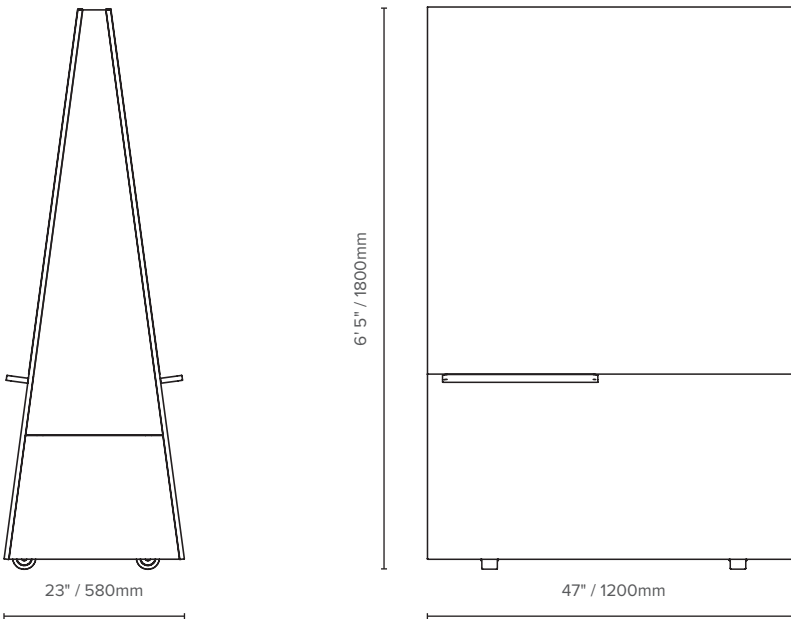

TYPE:

Wedge is as much a piece of designer furniture as it is a whiteboard. Its clean lines and warm Oak feature panel will not only bring style to any workspace but a place for ideas too. It has a magnetic board, solid oak pen shelf, colour customisable side panel, high quality double castors for easy movement on all surfaces.

KEY BENEFITS

- Only GECA certified agile whiteboard on the market
- Magnetic whiteboard with superior quality writing surface
- High quality lockable castors for ease of movement, concealed to remove trip hazard
- Australian made for short lead times
- Oak feature panel
- Optional solid oak pen shelf and other accessories

SIZE

AVAILABLE COLORS

Colors are subject to lead times and variations across batches

BASE

oak veneer (O) black veneer (B)
