

RUNE GRAND CENTRAL

A7

7.5m (8¹/₄yd) Fabric Seat
2.5m (2³/₄yd) Fabric Back

It's full steam ahead with the Rune Grand Central - the locomotive sized member of the Rune modular sofa family. Seating is maximised with a 360 degree base seat so no-one misses out on the trip.

Seemingly chaotic and undecipherable at first, the angular shapes evoke a language of their own, speaking volumes about flexible arrangements and providing endless configurations allowing for customisation of spaces. A series of precise angles and specifically configured edges allow the units to be spatially arranged in clusters which are scalable and adaptable to suit any seating need.
